To whom it may concern:

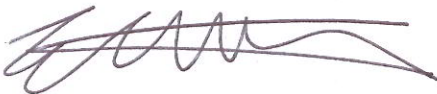

I am pleased to write this letter of recommendation for Chris Beckley. Chris worked at 360 Enterprises Inc. & TextLinkBrokers.com for over 5 years. He began here in the early stages of the company's creation in a general role, and then quickly became the Inventory and Fulfillment Manager of TextLinkBrokers.com. He ended his service as a Project Manager where he specialized in Web Design and Development.

During Chris's loyal service with us he was valued for his many qualities, and regarded with respect. Chris is positive, easygoing, and a team player. He is very goal and detail orientated as well as very reliable and dedicated to his work.

Chris demonstrated from early in his tenure that he understood what was expected of him. He was always well organized and computer-literate with extensive software proficiency covering a wide variety of applications. He has a high aptitude for learning new skills and was highly driven in equal measure by both quality and efficiency. Chris was a very innovative problem solver who could generate workable solutions and implement them.

In closing, I recommend Chris Beckley for any position pertaining to Internet Marketing and Web Design. Chris will be an asset to any organization.

Sincerely,

Eleni Ireland
